Why is BPW Right for You?

The New Zealand Federation of Business & Professional Women works to achieve equity for all working women through advocacy, education, and information.

Members benefit from networking opportunities, personal development, leadership, educational programs, advocacy and visibility. Formed in 1939, BPW NZ has been influential in creating equity for women in the workplace. With a powerful network of members BPW NZ means business for you!

Who is BPW for?

Women 18 years and over, regardless of education, employment status or age who want to benefit from networking, friendship, personal and leadership development, education programmes and projects.

Members come from all sectors, trades and professions; health, education, construction, small business, retail, accounting, law, farming and horticulture.

I'm so busy! How can I possibly fit BPW into my life?

You are in control of your BPW time. You decide how involved to be at the local and national level. Local monthly meetings are a great break, a chance to get away and be with people who understand what you face every day.

How do I know if BPW is for me?

You are welcome to "look and see" if this is for you. Come along as a guest for at least two meetings to help you decide.

Do I need a sponsor to join BPW?

No. BPW is open to anyone who supports our objectives and pays their dues.

Our membership fees are only \$90 per year. We also offer lower rates for students.

When and where do we meet?

We meet at the Waipuna Hotel & Conference Centre on the 2nd Wednesday of every month from 6.15pm. The cost is \$27 for members and \$35 for non-members which covers the cost of your meal.

Please let Joan know you are coming so that we can confirm our restaurant booking.
